GES Tiger Talk

Principal's Message

Dear Parents,

I enjoyed the opportunity to visit with many of you at our Progress Report Open House. The procedures and daily activities of your child's classroom should be familiar and comfortable to them by this time in the school year. If your child is still experiencing anxiety or any type of concerns, please contact your child's teacher. You are welcome to also include me on those types of communications. We will be happy to visit with you on the phone or to schedule a meeting to talk together regarding ideas to help your child or the situation. Please don't ever hesitate to contact us – we want to help.

Can you believe the first nine weeks is almost over and report cards will go home on October 10th. We are excited about the growth our students have made during this short time. Please do not hesitate if you would like to discuss a matter with your child's teacher, they are available during their planning for conferences. Please, call the office to set up a time with them.

My door is always open, and I am only a phone call away!! Please do not hesitate to call me. My cell phone number is 334-368-6456

Thanks,

Belinda Cook
