

Student & Parent Equipment Use Agreement

Responsibility for Chromebooks/Tablets

- Each device is property of Butler County School System and is individually labeled and inventoried (by inventory number and Chromebook/Tablet serial number) to the individual student to whom it has been loaned. **Each student who has checked out a Chromebook and his/her parents/guardians are responsible for proper care and use of the Chromebook and for following the BCSS Technology Handbook.**

Responsibility for Internet Use

- Butler County School System maintains a CIPA compliant Internet filter; therefore, to the greatest extent possible, the school network is filtered for content. Although BCSS makes every effort to minimize a student’s exposure to inappropriate material through the use of the Internet filter, **it is ultimately the responsibility of parents and guardians of students to establish and communicate standards that their children should follow when using electronic resources such as the Internet.**

Device Liability

- Lost or stolen chargers will result in a fee of \$40.
- Replacement cost for a Chromebook/Tablet is \$250.
- For complete details, please reference the BCSS Technology Handbook for Damage and Loss guidelines.
